Professional Experience

Product Ambassador

September 2024 – Present

marimo.io New York, NY

- Computing with reactive and reproducible Python notebooks
- Designed a Stanford University site to showcase tools in AI, interactive data visualization, and app-building
- Published a scientific blog to share platform applications for students and developers

Data Science Intern

June 2024 – August 2024

SLAC National Accelerator Laboratory, Department of Energy

Stanford, CA

- Analyzed 60+ PV data sets to conduct climate research on extreme weather
- Visualized 10 renewable energy trends and forecasts using statistics and calculus
- Optimized and debugged testing methodologies through Linux code documentation

Website Developer, Marketing Intern

March 2023 – June 2024

SLAC National Accelerator Laboratory, Department of Energy

Stanford, CA

- Revamped 5+ web interfaces for utility developers using HTML, CSS, JavaScript, Markdown
- Created marketing resources for the Sustainability Research Initiative to support policy-making and R&D
- Managed simulation software to improve code and test deployments of power systems via GitHub

Academic Projects

Medical App | React Native, Node.js, Firebase

- Built a full-stack web and mobile app for real-time medical resources with user authentication and doctor booking
- Implemented an AI chatbot using OpenAI's GPT API to support 24/7 health care inquiries

Wall Street Journal Case Study | MySQL, Microsoft Excel

- Conducted SWOT analysis and consumer research for a 3-year marketing strategy to increase retention rates
- Increased 23% customer membership renewal through revamped platforms and alumni targeted promotions

LEADERSHIP

Educational Equity Initiative

Founder and President

- Mentored 20 high schoolers to create an open-source platform for young women to learn code
- Coordinator of donation drives for migrant families in NYC and raised \$500 for the Malala Fund

Institute for Operations Research and Management Science

President at Pace University

- Taught over 200 college students Python, R, SQL, Tableau, Excel with interactive workshops and competitions
- Awarded Pace University "Organization of the Year" for tripled attendance, events, and +700 platform growth

United Nations Academic Impact

Campus Director and Technologist

- Led Civic Leadership Program for 15 sustainable development projects, 6x youth delegate at UN Head Quarters
- Introduced Malala Yousafzai for 2023 graduation, inspiring over 3,000 MCN fellows in support of girls' education
